For many years, "Cham" was the winter gathering place for all car enthusiasts - with the «Ronde Hivernale», the «24 Heures sur Glace», and the «Festival Automobile». It will be once again on Saturday, June 6, with this reunion evening we are organizing!

The goal is simple: to bring joy to everyone whose eyes still sparkle remembering those unforgettable moments, and to celebrate the wonderful bond between Chamonix and the Automobile.

This evening will take place in a legendary venue where we used to gather at the end of the 24 Hours: Le Pèle!

Drivers who raced and won the 24 Hours of Cham will be present, along with period videos, anecdotes, and souvenir goodies for everyone - all contributing to an evening you won't want to miss.

Come and relive these great memories with us!
